Jan,

Please search the following from 09/543,371 in all protein databases:

SEQ ID NO:10 from 54-124  
SEQ ID NO:10 from 1-132  
SEQ ID NO:10 from 181-244

Please limit the search to at least 90% identity (my claims require 100%).

Results on paper please.

Thanks!
